Subject: ESP Academy 2020

Dear Colleague,

ESP is happy to be organising the second edition of European Society of Pathology Academy (ESPA), which is going to take place from 20th till 23rd June 2020 in Waterloo, Belgium.

As was the case during the first ESPA in 2018, it would be very much appreciated if you could disseminate the information about ESP Academy to your Junior Pathologists, as well as provide a letter of recommendation to all potential applicants.

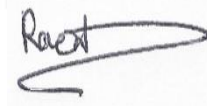

Please note that the original deadline of 17th January 2020 is being extended until **31st January 2020**.

Thank you very much in advance for your collaboration.

Sincerely,
